

Explanatory Memo for Judging Prosecutors: Public Support for Prosecutorial Discretion

The file `JudgingProsecutors.sav` contains the data for both waves of the CES module analyzed in the paper. `JudgingProsecutors_rep.R` is the syntax file which contains all of the code for all of the analyses reported in the paper and the appendix. All analyses were performed using R version 4.1.1. `JudgingProsecutors_log.txt` contains a log of `JudgingProsecutors_rep.R`.
